OPPORTUNITIES

Hi!

You're invited to join us for the 7th Annual Rally4Reilly & Friends Golf Tournament.

Did you know...

Every 48 seconds someone in the U.S. becomes paralyzed.

Every year 17,000 Americans experience a spinal cord injury (SCI)

In addition to the physical, psychological, and emotional impact of the injury, the financial burden they face is staggering. People with a high-level SCI can face medical bills of over \$1 million in the first year! And each following year, the cost for treatment, supplies, and services will be between \$150,000 and \$350,000.

We're here to make an impact in our community.

Rally4Reilly & Friends is a San Diego-based 501(c)3 nonprofit organization that helps people with SCIs live more independently and with less worry by issuing grants to pay expenses that insurance does not cover. These grants cover physical therapy, transportation, home-accessibility renovations, specialty equipment, rent, and more.

Our goal is to raise over \$175,000 this year. With your help, I know we can reach it!

Will you join us?

We're looking forward to a day filled with golf, food, networking and fun! Thank you for your consideration--we hope to see you there.

Sincerely,

Mark Daggett | Founder, Chairman, & Executive Director

THE TOURNAMENT

THE FORMAT

We'll be playing in a Scramble format with a shotgun start. A Scramble format is commonly used in charity games – it involves four golfers on the same team playing together. Each team member hits a tee shot on each hole. The team then collectively decides which of the four balls is in the best position to play next. After the team decides which ball is best, they mark its position; usually with a tee, a coin, a ball-marker, or whatever may seem to be luckiest for that day. Each player retrieves their ball (if it is still retrievable), and plays a shot from the new designated position. This procedure is repeated for each shot until a ball is holed.

THE LOCATION

We'll be playing at the pristine Rancho Bernardo Inn Golf Resort. The 18-hole championship course was designed by William Francis Bell in 1964 and has the distinction of hosting both PGA and LPGA events. Old-growth trees provide dappled shade while fountains and ponds dot the extremely playable course.
